

## Junior Academy Camp

This focus of this highest JLTA camp is to equip JLTA graduates who have attended Elite JLC with specific training necessary to serve on staff at one of the JLTA camps. Upon receipt of the trainee's registration for Junior Academy, the trainee will receive a preference form in which he indicates his preferences for specialized staff training, including: Senior Guide Training (SGT); Camp Commander Training (CCT); Patrol Advisor Training (PAT); or an instructor apprenticeship at any of the JLTA camps. The Junior Academy trainee will then receive more information and his assignment from the JLTA Commander. You must be a JLTA graduate and Elite JLC graduate to attend.
